PSHE and RSHE Parent Consultation 2026

Christ Church C of E Primary School

PSHE and RSHE Parent Consultation – September 2026 From September 2026, schools must implement the updated statutory guidance for Relationships, Sex and Health Education (RSHE). Christ Church already teaches PSHE and RSHE using the Jigsaw PSHE programme. Jigsaw has updated its programme for September 2026 to reflect the new statutory guidance, and we have reviewed and updated our school policy and curriculum accordingly. As part of this process, we are consulting parents and carers. Before completing this short form, please read:

- our draft **PSHE and RSHE Policy**
- our **PSHE and RSHE in a Nutshell** parent guide
- our **PSHE and RSHE Curriculum/Progression Overview**

The purpose of consultation is to ensure that parents and carers understand our approach and have a meaningful opportunity to share their views and ask questions. Some aspects of Relationships and Health Education are statutory and are therefore not subject to parental approval; however, all feedback received will be carefully considered before the policy is finalised.
The consultation is an opportunity for parents and carers to ask questions, raise any concerns or provide feedback for the school to consider before the policy is finalised. Thank you for taking the time to respond.
