

Starting with a Story

These activities and ideas are based around the book "We're Going on an Egg Hunt"

By Martha Mumford

All activities could be done without the book!

Starting with a Story

Other Linked Stories to read and enjoy

All our activities can be used with these books as well!

Making Collections

Go on a springtime walk and hunt objects that your child finds interesting. You could take a basket or use any container from around the house.

Talking Together

Spread the objects out and talk about them. Sort into groups or make arrangements.

Discuss them e.g. Some of these are plastic some are made of wood. This has corners, this looks like a circle.

Can we make a pattern with our objects?

Why are they a group? Do they have the same number of stripes, holes or points?
