CRAFT IDEA

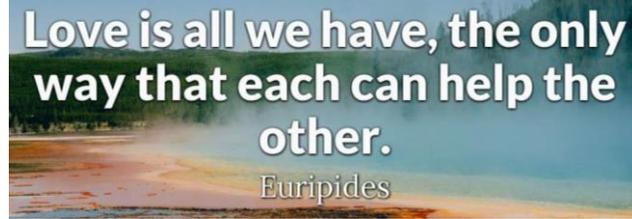

from Mrs Richardson

During the first lock-down (a whole year ago!) I set myself a challenge to make a Spring garden out of paper...

Have a go yourself!

WHAT CAN YOU MAKE FROM PAPER?

I want to end this week by thinking about one of our school values: **LOVE**

Sometimes, it is easy to watch the news or follow social-media and only see or hear about the negative things happening in our world. But when I read many of the stories behind the headlines at the moment, what I am finding are examples of people all over the world **showing love** to one another. In many cases these people are showing love to strangers; people they don't know.

This is what our care-workers and NHS staff do every day. By caring for their patients and trying to save lives, they are showing the deepest love of all; it is selfless, unconditional and - in some cases - sacrificial. I think that is amazing...

As Hugh Grant narrates in the credits for the film 'Love Actually'-

LOVE actually is all around us.

Reflection

Imagine you are walking from the dark and cold in to the sunlight & warmth. You are walking from the dullness of winter to the brightness of spring. You are looking at new colours, new growth, new life.

Thank you, Lord, for the springtime.

PLEASE REMEMBER that **all payments** (e.g. Breakfast Club, school meals, paid nursery places) MUST be paid on **MONDAY** due to the Easter holiday and financial year-end.

We are currently working with UNIFORM DIRECT to design a NEW school uniform for September 2021. We are still in the process of finalising this and have been asking the children for their thoughts on some samples.

We will confirm and share more details – including when / how parents can order – as soon as the new uniform range has been confirmed 😊
