A poem to make you smile...

Smiling is infectious,  
you catch it like the flu,  
When someone smiled at me today,  
I started smiling too.

I passed around the corner  
and someone saw my grin  
When he smiled I realized  
I'd passed it on to him .

I thought about that smile  
then I realized its worth,  
A single smile,  
just like mine  
could travel round the earth.

So, if you feel a smile begin,  
don't leave it undetected  
Let's start an epidemic quick,  
and get the world infected!

## RECYCLED ART PROJECT

Next half-term, we are planning some really exciting RECYCLED ART PROJECTS to provide our new school with some stunning art-work by the children.

We desperately need  
**BRIGHT & COLOURFUL** 'rubbish'  
which we can use to make 3D pictures and sculptures.

In particular, we need:

- **BOTTLE TOPS & BUTTONS** - different shapes, sizes and colours
- **CRISP PACKETS / SWEET & CHOCOLATE WRAPPERS** (please wash & clean before sending into school)
- **FABRIC SCRAPS / RIBBON / TRIMMINGS** etc - anything fabric based that you think we could use!
- **LITTLE PLASTIC 'BITS & PIECES'** - any small plastic items that you think could be upcycled to create art!

## PRAYER

Thank you for your  
love each day,  
We feel it while we work  
& play.

Lead us with your guiding light,  
To help each other do what's right.

Amen

We are getting SO excited about moving to the school site! The builders are working hard to get the school ready and it is changing every day.

As soon as we are able to, we will be making a video to share with you so that you can see what the new school will look like and we hope to be able to organise an Open Afternoon before the start of the new school year in September.

Fingers crossed that we get the keys handed over on August 16<sup>th</sup> and that the move and classroom set-up goes well during the last two weeks of August!

- Get free canine advice from our partners [Bought By Many](#) and [YUMove](#), who are more than happy to help.
