

## CHRIST CHURCH NEWSLETTER 11/06/2021

I think it can be hard to find time to 'unplug' or switch-off. There is always so much to do - and now that restrictions are lifting, we all want to go and see friends and family and do 'normal' things.

**PEACE** can be hard to find in our busy lives. We all need time to relax, to switch-off and 'unplug' ourselves for a moment or two. Some people favour yoga, while some may crochet or knit their way to inner-peace and a sense of tranquillity.

My favourite way to relax is to get up before the dawn chorus and listen to the birds as they start waking. I love to watch the sunrise and I am always stunned by the beauty of this everyday event. This is my moment of peace before the day begins. Bliss!

## **SCHOOL CHEF**

An exciting opportunity has arisen to work for the **NCC School Catering Service** in this busy school environment.

As the School Chef, you will be preparing a variety of appetising meals every day, with the support of your catering team, using local produce and fresh ingredients.

We are looking for a highly motivated, flexible and friendly team player, who can demonstrate a proven ability to achieve budget targets, whilst providing a high quality catering service.

The successful candidate will continue to encourage the pupils at this school to want to have a school meal, and support the School Catering Service's desire to educate pupils to have a healthier lifestyle.

## Reflection

May the God of the quiet and stillness,

Fill our hearts with calm.

May the God of life and activity,

Give us energy to serve.

My the God of vision and confidence,

Give us hope for the future.

## **DON'T BE LATE & MISS THE GATE!**

Please remember that the gate opens at 8.40am & **closes at 8.55am.**

This is when we take the school register so that lessons can start at 9am.

Arriving later than 8.55am will result in a late mark in the register and is very disruptive to staff and children's learning.

**THANK YOU!**

## RANDOM FUN FACT

Did you know there are thousands of hidden Mickeys to look for all over Disney World? Some are big, some are small, some are extremely hard to find! You may not even know that many are there. They can be found in resorts, parks, on buildings and rides! Usually, they appear as a Mickey mouse head, formed by 3 circles.

That's not all... hidden Mickeys have also appeared in all Disney full-length films since Snow White in 1937! Watch and see for yourself. Can you find any?
