SCHOOL UNIFORM from September 2021

We are delighted to be able to share our NEW school uniform!

We believe that a school uniform helps create a shared identity for the children, staff and families at Christ Church. It gives everyone a sense of belonging to the school family and establishes a sense of community and responsibility.

We wanted a uniform that reflected our past, our present and our future, and have worked with a new uniform supplier – **UNIFORM DIRECT of Lincoln** – to create a uniform 'menu' that blends the traditional red with the green of our new logo.

Our new logo represents the growth of the school in the heart of Middlebeck and illustrates that our three values – **faith, hope and love** – are at the centre of all we do.

Our uniform selection has been designed with three key principles in mind:

- **CHILDREN NEED TO BE CHILDREN:** We want our children to feel COMFORTABLE and have a uniform that is PRACTICAL and allow for the active learning that is embedded in our school curriculum. They will have plenty of time to wear shirts and blazers at secondary school!
- **CHILDREN ARE ALL UNIQUE:** We recognise that everyone is different and has their own preferences with colours and clothing styles. We have created a uniform range that allows for CHOICE of styles and colours. This pick'n'mix approach means that we will not have a school full of children who look identical, but a school where the uniform allows each child to express their own personality.
- **UNIFORM SHOULD BE INCLUSIVE:** Our uniform is not gender specific; all children are free to choose to wear the uniform combination that they feel comfortable with. We hope that all children can be themselves in our school uniform and that it will reflect the DIVERSITY within our school community. We also wanted our uniform to be AFFORDABLE for our families. While some items of uniform can only be purchased from Uniform Direct, many items can be sourced at supermarkets / clothing stores at extremely reasonable prices.
