

# CHRIST CHURCH CoE PRIMARY SCHOOL

Welcome to our new school on the Middlebeck Development in Newark

Our new building has been designed to create an outstanding learning environment.

It has been built within the new Middlebeck Development by Urban & Civic

The entrance reflects the architect's vision - it is light, bright and welcoming.

At the heart of the school we have a lovely open-plan library filled with natural light.

There are lots  
of glass  
windows.

We have long  
corridors and high  
ceilings.

The architect has used  
lots of white and pale  
grey to create a sense  
of space.

Our classrooms have big windows and are lovely spaces to learn and work together.

'The Rainbow Room' is a smaller group learning space.

'The Aquarium' is a room for groups to work in.

We enjoy being outside to learn and play

We have lots of outside space and look forward to spending time together outside.

Our main hall is a special space for worship.

Our dining hall is next to the school canteen where the cooks make delicious lunches every day.

We have LOTS of space because we will be having two extensions as we grow over the next few years.

Every classroom has access to the outdoor spaces, and we can look out over the Middlebeck Development.

The school is surrounded by areas of natural wildflower meadows, so we get lots of mini-beasts and birds visiting - we even get a friendly cat come to say hello!

We would love to show you round our beautiful school!

THANK YOU  
from all the pupils at Christ Church!
