### After-School Club Provision

September 2023

Dear Parents & Carers

We are aware that some of our families are frustrated with our current wraparound care provision. This is something that is under constant review and we plan to expand in the future.

Later this half-term we will be sending links to a google-form to establish the current need for an after-school club that goes beyond 4.30pm. We will then need to look at the options for an external provider who could meet this demand, as we have no staff capacity to do this.

We chose to establish a ClassList Community to provide a network of support for our growing school community, particularly for new families moving into the area. Parents who sign up to Classlist agree to follow the Classlist Community Guidance which states *that they are required to be respectful of fellow parents and not use the app to complain about the school or individuals connected with the school*. Please can you ensure that if you have any queries or issues regarding school, these are to be communicated directly through the school office or Class Teacher.

At this point in time, our main priority is to ensure all the children at Christ Church are settled in their new classes and are safe and happy so that they can learn and fulfil their potential.

We are just as keen as you to expand our wraparound care and club provision, as this is something that is important to us and to our families. We will start to explore our options with this as soon as we are able to; in the meantime, please be patient and understanding about our context and the workload of all staff at the start of the new school year.

Kind regards

*Mrs Richardson*
